Siegwerk CEO elected Chairman of EuPIA

Siegwerk CEO Herbert Forker has taken over the chairmanship of the European Printing Ink Association (EuPIA). During the organization's annual conference in Prague, EuPIA council members elected Forker for the next two years.

Siegwerk CEO elected Chairman of EuPIA

The new Vice Chairman is Dirk Aulbert from the Flint Group. Forker takes over from Felipe Mellado, Corporate Vice President Marketing and Technology SunChemical.

EuPIA is a non-profit organization that represents almost 90 percent of the printing ink manufacturers active in Europe. It's a forum for discussion and decision-making and aims to create a responsible representation for the European printing ink industry.
