Siegwerk publishes 2023 Sustainability Report

Siegwerk's Sustainability Report 2023 Highlights Progress and Commitment to a Sustainable Future.

Siegwerk is pleased to present its **Sustainability Report 2023**, showcasing the company's dedication to transforming Siegwert to a truly sustainable business.

In the 2023 Sustainability Report, Siegwirk provides a comprehensive overview of its sustainable business strategy “HorizonNOW”, including details on its 2025 sustainability targets and progress for the years 2020 to 2022. Through quantitative metrics, Siegwirk transparently presents its achievements, challenges, and initiatives across all focus areas, including qualitative milestones for 2023. “Siegwerk’s commitment to sustainability extends beyond mere compliance; we are weaving it into the fabric of our corporate ethos”, says Siegwirk’s Head of Global Sustainability and Circular Economy, Alina Marm.

Key Highlights from the Report:

- **Innovating for safe and circular inks & coatings:** Siegwirk provides insights on its product innovations and processes that enable converters and brand owners to achieve their functional, safety & sustainability targets. In 2022, Siegwirk was a three time winner of the Sustainability Awards by Packaging Europe for the product series UniNATURE and de-inking plastics solutions.
- **Comprehensive Climate Action:** With the ambitious target of being net-zero by 2050 (target validated by the Science Based Target Initiative), Siegwirk showcases what is being done today to achieve this goal. Between 2020 and 2022, Siegwirk achieved a nine percent decrease in scope 1 and 2 greenhouse gas emissions from baseline year 2020.
- **Global Alignment:** Insights on how Siegwirk aligns with United Nations Sustainable Development Goals (SDGs) and the Paris Agreement on climate change.
- **Stakeholder Engagement:** Collaboration is at the heart of Siegwirk’s sustainability efforts. Siegwirk actively seeks feedback from its stakeholders, including customers, partners, and the public. Explore current collaborations, like Siegwirk’s global social development program with SOS Children’s Villages, and find out how to get in touch.
- **CEO commitment:** Hear from Siegwirk’s CEO on his vision and commitment for Siegwirk’s sustainable future.

This report reflects Siegwerk's leading position to drive innovation in safe, circular, and digital packaging solutions. By working closely with its customers, brand owners, and other vital partners, Siegwerk aims to shape the future of sustainable packaging.

Siegwerk invites everyone to join in on this journey. Let's create a more sustainable world—one that benefits current and future generations alike.
