

Declaration of non use of

Various formamides

In the manufacture of all products supplied by Siegwirk, formamide, N-methylformamide, N,N-dimethylformamide (DMF), acetamide, N-methylacetamide, N,N-dimethylacetamide (DMAC) or raw materials containing these substances, are not used as intentionally added ingredients.

The presence, however, of traces of this substance in the product coming from raw material impurities, from the process or as adventitious contaminant cannot be excluded¹.

¹ However, we proactively monitor and/or retrieve supplier data on impurities in raw materials likely to contain traces of these substances. We can assure you that, according to the present scientific knowledge, potential traces of these substances in our products, if any, are well below 0,1%.

The information in this document reflects Siegwirk's policy and commitments. This statement is valid without signature.
